**Public Health Isolation & Quarantine Order**

To: ...

The Wyoming Department of Health has been notified that you have a laboratory confirmed result of a communicable disease that affects public health: Coronavirus Disease 2019 (COVID-19).

Under the authority of Wyoming Statutes §§ 35-1-240(a)(ii) and (iii) and as necessary for the protection of the public health, you are hereby ordered to implement the following isolation and quarantine measures effective immediately:

1. You shall remain at your home located at .... You may leave only to seek medical care or to spend time outside on your property. You shall isolate yourself as much as possible from asymptomatic persons living in the home.

If you do not comply with this Order, you may be subject to the provisions under Wyoming Statutes §§ 35-1-105 and -106.

This Order will remain in effect until you have been fever-free, without the use of fever-reducing medication, for 24 hours; and your respiratory symptoms have improved; and it has been at least ten days since your symptom onset. If you did not have symptoms this order will remain in effect until ten days have passed since your test specimen collection date. Once you meet these criteria, you are no longer suspected of being contagious of the above-stated communicable disease and therefore do not pose a threat to the public health. This Order will be effective through the ... day of ..., 2020 unless extended by public health officials because of continued symptoms.

Any questions regarding this Order may be directed to Dr. Alexia Harrist at (307) -777-7716 .

Done this ... day of ..., 2020.

Alexia Harrist, MD, PhD  
 State Health Officer  
 Wyoming Department of Health
